Rules of Conduct for NMLS Approved Pre-Licensure (PE) and Continuing Education (CE) Courses

The Secure and Fair Enforcement for Mortgage Licensing Act (SAFE ACT) requires that state-licensed MLO's complete pre-licensing (PE) and continuing education (CE) courses as a condition to be licensed. The SAFE Act also requires that all education completed as a condition for state licensure be NMLS approved. Since 2009 NMLS has established course design, approval, and delivery standards which NMLS approved course providers are required to meet. To further ensure students meet the education requirements of the SAFE Act, NMLS has established a Rules of Conduct (ROC). The ROC, which have been approved by the NMLS Mortgage Testing & Education Board, and the NMLS Policy Committee, both of which are comprised of state regulators, are intended to stress that NMLS approved education be delivered and completed with integrity.

Rules of Conduct

NMLS approved course providers are not authorized by NMLS to grant exceptions to these rules and that I alone am responsible for my conduct under these rules. I also understand these rules are in addition to whatever applicable rules the course provider may have set. Additionally, I understand that the course provider or others may report any alleged violations to NMLS. NMLS may conduct an investigation into alleged violations and may report alleged violations to the state(s) in which I am seeking licensure or maintain licenses, or to other states.
