Rules of Conduct for NMLS Approved Pre-Licensure (PE) and Continuing Education (CE) Courses

The Secure and Fair Enforcement for Mortgage Licensing Act (SAFE ACT) requires that state-licensed MLO's complete pre-licensing (PE) and continuing education (CE) courses as a condition to be licensed. The SAFE Act also requires that all education completed as a condition for state licensure be NMLS approved. Since 2009 NMLS has established course design, approval, and delivery standards which NMLS approved course providers are required to meet. To further ensure students meet the education requirements of the SAFE Act, NMLS has established a Rules of Conduct (ROC). The ROC, which have been approved by the NMLS Mortgage Testing & Education Board, and the NMLS Policy Committee, both of which are comprised of state regulators, are intended to stress that NMLS approved education be delivered and completed with integrity.

Rules of Conduct

NMLS approved course providers are not authorized by NMLS to grant exceptions to these rules and that I alone am responsible for my conduct under these rules. I also understand these rules are in addition to whatever applicable rules the course provider may have set. Additionally, I understand that the course provider or others may report any alleged violations to NMLS. NMLS may conduct an investigation into alleged violations and may report alleged violations to the state(s) in which I am seeking licensure or maintain licenses, or to other states. 1 Hour KY SAFE: Kentucky Mortgage Continuing Education

Course Syllabus

Course Description

The Commissioner of the Kentucky Department of Financial Institutions (DFI) requires mortgage licensees in this state to take a one-hour course on Kentucky mortgage lending rules as part of the licensees' annual continuing education requirement for license renewal. This course covers Kentucky mortgage topics for licensee continuing education.

The first module of this course outlines the branches within the DFI and reviews several definitions outlined in Kentucky Revised Statute (KRS) chapter 286, the regulation that defines mortgage lending services in this state. We'll review initial licensing requirements and the steps needed to maintain the authorized license.

The second module explains compliance requirements and disciplinary actions available to the commissioner. We'll outline prohibited conduct that licensees should avoid as well as explain conduct that are expected during the lending process. This course will also define the limitations on fees and the state usury regulations, actions that might result in license suspension, and the commissioner's available penalties that can be ordered against guilty licensees.

Topics and Learning Objectives

This course consists of two modules and a final exam:

1. Module 1: Kentucky DFI, State Law Definitions, and State License Law (15 minutes)
2. Module 2: Compliance and Disciplinary Actions (25 minutes)
3. Final exam (10 minutes)

Total study time: 1 credit hours (50 minutes)

This course will prepare Kentucky-licensed MLOs to:

- Describe the powers and duties of the Commissioner of the DFI
- Review important term definitions, including those specific or unique to Kentucky regulations
- Identify the licensing and registration exemptions covered in Kentucky law
- Identify the requirements to obtain and maintain a license or registration
- Illustrate and avoid prohibited practices and conduct

- Summarize the Kentucky Residential Mortgage Fraud Act
- Define the required conduct that is expected in the course of day-to-day operations
- Give examples of appropriate - and inappropriate - fees and charges, including those for reverse mortgages
- Identify the criteria for usury in the Commonwealth of Kentucky
- Explain appraisal independence requirements through case study and review Kentucky-specific appraisal laws
- Recognize DFI disciplinary actions, including license denial, suspension or revocation, penalties and fines, and civil liability.
