Rules of Conduct for NMLS Approved Pre-Licensure (PE) and Continuing Education (CE) Courses

Version NMLS 1.1 2015-02-24

The Secure and Fair Enforcement for Mortgage Licensing Act (SAFE Act), requires that state-licensed MLOs complete pre-licensing (PE) and continuing education (CE) courses as a condition to be licensed. The SAFE Act also requires that all education completed as a condition for state licensure be NMLS approved. Since 2009 NMLS has established course design, approval, and delivery standards which NMLS approved course providers are required to meet. To further ensure students meet the education requirements of the SAFE Act, NMLS has established a Rules of Conduct (ROC). The ROC, which have been approved by the NMLS Mortgage Testing & Education Board, and the NMLS Policy Committee, both of which are comprised of state regulators, are intended to stress that NMLS approved education be delivered and completed with integrity.

Rules of Conduct

As an individual completing either pre-licensure education (PE) or continuing education (CE), I agree to abide by the following rules of conduct:

1. I attest that I am the person who I say I am and that all my course registration information is accurate.
2. I acknowledge that I will be required to show a current government issued form of identification prior to, and during the course, and/or be required to answer questions that are intended to verify/validate my identity prior to, and during the course.
3. I understand that the SAFE Act and state laws require me to spend a specific amount of time in specific subject areas. Accordingly, I will not attempt to circumvent the requirements of any NMLS approved course.
4. I will not divulge my login ID or password or other login credential(s) to another individual for any online course.
5. I will not seek or attempt to seek outside assistance to complete the course.
6. I will not give or attempt to give assistance to any person who is registered to take an NMLS approved prelicensure or continuing education course.
7. I will not engage in any conduct that creates a disturbance or interferes with the administration of the course or other students' learning.
8. I will not engage in any conduct that would be contrary to good character or reputation, or engage in any behavior that would cause the public to believe that I would not operate in the mortgage loan business lawfully, honestly or fairly.
9. I will not engage in any conduct that is dishonest, fraudulent, or would adversely impact the integrity of the course(s) I am completing and the conditions for which I am seeking licensure or renewal of licensure.

I understand that NMLS approved course providers are not authorized by NMLS to grant exceptions to these rules and that I alone am responsible for my conduct under these rules. I also understand that these rules are in addition to whatever applicable rules my course provider may have.

I understand that the course provider or others may report any alleged violations to NMLS and that NMLS may conduct an investigation into alleged violations and that it may report alleged violations to the state(s) in which I am seeking licensure or maintain licenses, or to other states.

I further understand that the results of any investigation into my alleged violation(s) may subject me to disciplinary actions by the state(s) or the State Regulatory Registry (SRR), including removal of any course from my NMLS record, and/or denial or revocation of my license(s).

1 Hour MO SAFE: Missouri Mortgage Laws

Course Syllabus

Course Description

This course will cover several fundamental state regulations that Missouri mortgage loan originators must be familiar with. Being familiar with important laws in Missouri's residential mortgage loan industry will ensure that mortgage loan originators are compliant with the state's expectations of MLO behavior.

The first part of this course will review the Missouri SAFE Act. This act added several new regulations such as licensing of mortgage loan originators, requirements for mortgage brokerages, and prohibited acts and practices.

The second part of this course will cover other Missouri-specific laws regarding mortgage loan origination. Missouri's specific regulations regarding second and junior lien mortgages will be detailed, and an explanation of Missouri Reverse Mortgage Act will be covered.

Topics and Learning Objectives

This course consists of two modules and a final exam:

1. The Basis of Missouri Law (30 minutes)
2. Missouri-Specific Laws Impacting Mortgage Practice (10 minutes)
3. Final exam (10 minutes)

Total study time: 1 clock hours

Module 1: The Basis of Missouri Law

In this module we are going to discuss Missouri law and rule requirements relating to operating a mortgage business in Missouri. The laws relating to how a mortgage loan originator is to operate and conduct their business affairs are based upon both statutory and administrative rules.

This module will prepare you to:

- Identify the required conduct for licensees relating to office operation and reporting requirements.
- List and discuss examples of prohibited conduct.
- Discuss licensee advertising requirements and prohibitions.
- Explain the required disclosures relating to the transfer of servicing and fee agreements.
- Explain a licensee's obligations regarding escrow accounts and advance fees

Module 2: Missouri-Specific Laws Impacting Mortgage Practice

The law relating to mortgages is generally similar throughout the United States in terms of general concepts. However, many states have enacted laws that address specific details that add specific state procedures and requirements. Missouri is no exception to enacting these laws that modify and add to the general mortgage law concepts. In this next section we are going to address Missouri specific issues relating to second/junior mortgages and reverse mortgages.

This module will prepare you to:

- List the permitted items a lender making a second mortgage may charge.
- Discuss the rules relating to reverse mortgages in the context of Missouri law.
